

## BRISTOL "HOP LEAF" SKITTLES LEAGUE.

The Annual Concert and Presentation of Trophies and Prizes for the 1947-48 Winter Season took place on July 20th at the Walter Baker Memorial Hall, Bristol, before a crowded audience. A most enjoyable programme was presented by the Cliftonian Concert Party, and during the interval Mr. J. H. Law, on behalf of "Hop Leaf" interests, presented the trophies and individual prizes to the League and Knock-out Cup Winners.

<i>League Champions</i> ...	"Beaufort Arms" (A), St. George,
<i>Runners-up</i> ...	"Black Horse," Redfield.
<i>Knock-out</i> ...	"Black Horse," Redfield.
(Front Pin Cup)	
<i>Runners-up</i> ...	The "Bell" Hotel, Kingswood.

Skittling has a long and honourable history in Bristol, and the "Hop Leaf" League is year by year adding to its laurels. Next year, we hear persistent rumours of a Jacob Street Brewery team entering the league again. Other competitors are hereby warned of our intentions in good time beforehand, which should enable them to take the necessary precautions. The old pre-war rivalry between producers and consumers was always one of the league's high lights. We look forward to its revival with every confidence and pleasure.
